## 2021 (2021-2022) EAST ORANGE HOUSING AUTHORITY BUDGET

## **Narrative and Information Section**

## 2021 (2021-2022) AUTHORITY BUDGET MESSAGE & ANALYSIS EAST ORANGE HOUSING AUTHORITY BUDGET

FISCAL YEAR: FROM: January 1, 2021 TO: December 31, 2021

Answer all questions below. Attach additional pages and schedules as needed.

- 1. Complete a brief statement on the 2021/2021-2022 proposed Annual Budget and make comparison to the 2020/2020-2021 adopted budget for each *Revenues and Appropriations*. Explain any variances over +/-10% (As shown on budget pages F-2 and F-4 explain the reason for changes for each <u>revenue</u> and <u>appropriation</u> changing more than 10%) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. *Appropriates increase overall by 3.8%. This is driven primarily by hiring of Accounting, Housing and Security personnel along with a budget 2% increase off set by savings from health insurance plan. Revenues increase by 1.6% and is driven by addition voucher fees and new resident services grant.*
- 2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program. (Example Consider New Development projects such as Housing /Commercial projects impact on the Authorities expenses or revenues)

  Impact of COVID-19 on the local/regional economy has increased the demand for affordable housing and

social services. We were able to meet this demand by increasing over vouch offerings and securing a resident services grant.

- 3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget and or Capital Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered. No anticipated use of restricted net assets
- 4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service payments, pilot payments, or other types of contracts or agreements (Example to provide police services to the Authority etc. and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.). No such transfers planned.
- 5. The proposed budget must not reflect an anticipated deficit from 2021/2021-2022 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording <u>Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?</u>

As reflected in the proposed budget, the Authority does not anticipate a deficit from operations. The deficit is a direct result of the implementation of GASB 68. It is anticipated that this liability will be paid over a period of many years and will probably require the Authority to secure other revenue streams to reduce this accumulated deficit. In all likelihood, the Authority will look to HUD for additional funding and/or guidance since it is required to participate in the NJPERS system

6. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) if it has been changed since the prior year budget submission and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable. (If no changes to fees or rates indicate (Answer as "Rates Are Staying the Same"). Rates are staying the same.
